HOPE
HARBOR

**BUILDING
STRONG
FAMILIES**

OUR HISTORY

Hope Harbor has been welcomed by the communities in which we operate for over 15 years, offering a place for teens and parents to heal right in the heart of the midwest. Allow us to introduce ourselves.

Hope Harbor is committed to restoring families and providing help for teens after our founder personally experienced destruction and restoration in her own family. She realized others needed options to obtain help. Specifically, life and heart-changing options, healing through Christ. Hope Harbor was founded in 2005 by three local women of faith in a two-story home in a residential neighborhood in Marshall, MN. Two more locations were opened in Winona, MN (2017) for girls and Parker, SD (2019) for boys.

*We have this hope as an anchor for the
soul, firm and secure.
Hebrews 6:19*

“Hope Harbor rebuilt the foundation our daughter was missing. They helped us repair our tattered sails and our sinking ship that was once battered by the heavy storms that we thought had left us beyond repair. Hope Harbor made our ship seaworthy again. They have anchored our souls in Christ.”
